

Hwy 68 Minneota to Marshall Project

Project Summary

The Minnesota Department of Transportation will be widening the shoulders and replacing culverts on Hwy 68 from N Grant Street in Minneota to Marshall in 2021. Three culvert replacements near Porter are also included in the project. Total length of the project is approximately 11 miles.

This project will require a detour due to the extensive culvert and drainage work. Construction is expected to begin spring of 2021 and be completed in 2021. Information can be found at www.mndot.gov/d8/projects/hwy68minneotatomarshall.
